CHRONOS 'FILLER' THERAPY

The Juliette Armande advanced skin booster Chronos 'Filler' facial is perfect for any client particularly those 40+ to plump skin and smooth out those fine lines and wrinkles. The treatment involves a peeling system, Hydra system, Anti-Ageing system and an Antioxidant system. This treatment has no downtime so you can walk out of the clinic looking refreshed, rejuvenated and younger! The treatment also includes a massage technique that works at breaking down tension and knots in the face. A course is recommended, results can be seen instantly. The cost includes products to use at home in between treatments. £70

MICRONEEDLING FACIALS

MENOPAUSE FACIAL - When you start to lose elasticity in the skin, and everything is heading south. Great for tightening, lifting and an overall glow. Using a selection of Skin Boosters to target the whole face and neck. £120

GLASS FACIAL - A revolutionary treatment to be active on all signs of ageing. Derma Bio, containing 3 weights of hyaluronic acid also includes Vitamins A, B, C & E, as well as amino acids, DMAE, peptides, sodium DNA and antioxidants, all of which act in synergy to give more hydration, texture, tone & elasticity, giving an overall glass like effect. £150

WOW FACIAL - The ultimate facial in Microneedling, ideal for a special occasion on the horizon, with results lasting for around 3 months. The microneedling helps stimulate collagen and elastin for a more youthful looking skin, and the Wow fusion serums hydrate, brighten, stimulate and improve the texture and tone of the skin. £200

ACNE & SCARRING - Microneedling is one of the best treatments available for treating Acne & Scarring, combine this with the right serums and Meso Glides to gain remarkable results. AC Stem Cell Gold is ideal to treat Acne or skin irritation. It contains acetylhexapeptide-8 which increases skin elasticity and provides anti inflammatory, anti bacterial, skin regenerative and wound healing benefits. 99.9% pure gold powder helps purify and brighten skin tone. £150

BASIC MICRONEEDLING - using Dp Dermaceuticals range of skin care products, serums & Meso Glides, chosen to suit your skin type. Giving all over Collagen stimulation and skin rejuvenation of the face and neck. £90 Add £10 for hands and Decollate.

ADVANCED MICRONEEDLING - using Dermapen 4, with Roller ball, along with the Dp Dermaceutical range of skin care products, serums & Meso Glides, chosen to suit your skin type. Giving all over Collagen stimulation and skin rejuvenation of the face and neck. £135 Add £15 for hand and Decollate.

RADIO FREQUENCY MICRONEEDLING - this is the ultimate in Microneedling, it is able to address the deeper layers of the skin without creating significant damage to the top layers of the skin. This is due to the RF energy being delivered past the tip of each needle to deep layers of the skin to stimulate collagen production and tighten the skin. Use in conjunction with a range of Italian, Medical Grade Skin Boosters gives optimal results. £180

PRP (Vampire Facial) - Platelet Rich Plasma is a unique treatment that encourages growth and regeneration in your skin by using your body's natural healing ability. It is an effective procedure for those who have any premature wrinkles, sun damaged skin, pigmentation and acne scarring. £195

LUMI EYES - deminishes dark under eye circles, moisturises and fights fine wrinkles. It will smooth and lift the skin under the eyes. The effect is visible after the first treatment. £120

SKIN BOOSTERS - are designed to deliver deep skin hydration, which gives a natural glow and radiance. Also classed as skin care from the inside, as only containing natural products which are already contained within the skin. Made up of either just Hyaluronic Acid, or HA, Peptides and Amino Acids. Depending on the area of concern and product used, price from £120

MESOTHERAPY - is a technique that uses tiny injections of vitamins, enzymes and plant extracts to rejuvenate and tighten skin, as well as remove excess fat. Other benefits improve dull, tired looking skin and superficial wrinkles, this treatment can also be used to address hyperpigmentation, treat acne and give an all over glow. Can be used in conjunction with microneedling to enhance results. £160

VASCULASE - Thread Vein and spider vein removal using medical grade laser technology. A very Quick, Safe and Effective treatment, which can be safely used on the face or body areas to dissolve unsightly veins. From £100

SCLEROTHERAPY - is an alternative method of thread vein removal using tiny injections into the vein using a solution, which forces the vein to collapse and then over time fades. Several treatments are usually required for a problematic area. From £100

CRYOTHERAPY - is the use of extreme cold to freeze and remove abnormal tissue, it is a very quick and safe option to get rid of unwanted and unsightly lesions, ideal for treating skin tags, warts, cherry angiomas, varucae and benign moles. Generally one to two treatments are required, with a two week gap in between. One lesion £55, £10 for each further lesion, with no charge for 2nd treatment.
